Parkland County has a Smoke-Free Workplace Policy in Effect.

Parkland County has a nepotism policy in effect which limits the consideration of employees' relatives for employment. Please contact Human Resources for further information on this policy (including the definition of a relative under this policy).

We thank all applicants for their interest; however only those selected for interviews will be contacted.

The personal information submitted pursuant to this advertisement is being collected under the authority of the Municipal Government Act and will be used for Parkland County employment opportunities only. The personal information that you provide may be made public, subject to the provisions of the Freedom of Information and Protection of Privacy Act.

Employment Bulletin

With a population of 30,089, Parkland County offers a range of municipal services and a vibrant mix of agricultural, residential, industrial and recreational opportunities. This unique rural area is situated on the west outskirts of Edmonton, stretching over 2438 sq. km. of picturesque landscapes. We are currently inviting applications for a:

DEVELOPMENT ENGINEERING SUPERVISOR

(Permanent, Full-time)

Reporting to the Manager, Engineering Services, you will provide engineering and technical support for subdivision and development permit applications and other new developments. You will administer development agreements and conditions for all new developments including reviewing and approving engineering drawings, meeting with engineering consultants and external stakeholder agencies, conducting local improvement inspections and ensuring new infrastructure meets County requirements. Supervision of two staff members plus excellent administrative, written and communication skills are required.

QUALIFICATIONS:

- Post-secondary diploma in Civil Engineering.
- Certified Engineering Technologist (C.E.T.) designation with the Association of Science and Engineering Technology Professionals of Alberta is required.
- Five years related experience in the design and construction of subdivisions and general land development and the supervision of staff.
- Experience in the construction of waterlines, sewer lines, illumination lighting, drainage and road construction is required.
- Proficiency with computers and Microsoft Office (Word, Excel and Access).
- Valid Class 5 Driver's License. A current Driver's Abstract must be provided.

Competition Number:	09-30INT
Rate of Pay:	\$78,506 - \$98,133 per annum (currently under review)
Hours of Work:	7 hours/day; 35 hours/week
Competition Closing Date:	Tuesday, January 5, 2010, at 4:30 p.m. however, this position will remain open until a suitable candidate is found.
Benefits:	Extensive benefits are offered including an option to join our Earned Days Off Program.

Further information concerning this position can be obtained by calling Bruno St-Amand, Manager, Engineering Services at 780-968-8445.
