Parkland County has a Smoke-Free Workplace Policy in Effect.

Parkland County has a nepotism policy in effect which limits the consideration of employees' relatives for employment. Please contact Human Resources for further information on this policy (including the definition of a relative under this policy).

We thank all applicants for their interest; however only those selected for interviews will be contacted.

The personal information submitted pursuant to this advertisement is being collected under the authority of the Municipal Government Act and will be used for Parkland County employment opportunities only. The personal information that you provide may be made public, subject to the provisions of the Freedom of Information and Protection of Privacy Act.

# Employment Bulletin

With a population of 29,679, Parkland County offers a range of municipal services and a vibrant mix of agricultural, residential, industrial and recreational opportunities. This unique rural area is situated on the west outskirts of Edmonton, stretching over 2438 sq. km. of picturesque landscapes. We are currently inviting applications for a:

## **NETWORK SUPPORT TECHNICIAN**

(Permanent, Full-time)

Parkland County has a Permanent, Full-time position available in Information Systems for a Network Support Technician. Reporting to the Supervisor, you will be responsible for analyzing, planning, installing, testing, implementing, and documenting personal computer hardware and software, diagnostic tools and PC management systems; tuning application software; assisting County employees in use of application software; and performing related work as required. The ability to establish and maintain effective working relationships and strong interpersonal and communications skills are required to communicate technical information to non-technical personnel.

### **QUALIFICATIONS:**

- Grade 12 supplemented by a related post-secondary/technical institute diploma is required, courses in Microsoft SQL, Microsoft Access and ASP would be an asset.
- Minimum of two years related experience with personal computers and PC applications, systems engineering, programming or operations with experience in solving complex technical problems. Equivalencies will be considered.
- MCP designation in a current Microsoft networking product would be beneficial.
- Valid Class 5 Driver's License. A current Driver's Abstract must be provided.
