

**RURAL RESIDENTIAL/AGRICULTURAL
SUBDIVISION APPLICATION PACKAGE
(Includes Bareland Condominiums)
(= or < 4 Parcels)**

The following information must be included with your subdivision application in order for your application to be deemed complete for acceptance and processing by Parkland County.

CHECKLIST

- Consultation-** Prior to submitting a Subdivision Application Package to Parkland County, a consultation with a Parkland County Planner is required.
- Application Form-**The application must be completed in full and signed by the registered owner(s).
- Application Fee-**Applicable fees as set out in Parkland County's Departmental Fees and Charges.
- Tentative Plan-** The Tentative Plan must be prepared by an Alberta Land Surveyor and must include the following as a minimum. Parkland County requires two (2) hardcopies submitted with the application and one (1) of each digital PDF and CAD files sent by email or USB:
 - legal description
 - proposed parcel dimensions
 - existing buildings or structures and distance from existing and proposed property boundaries
 - existing well and private sewage disposal system and distance from existing and proposed property boundaries
 - natural and man-made land features ie. dugout, river, stream, lake, tree stands, shelter belts, etc.
 - Township Roads, Range Roads and/or Provincial highways
 - pipeline rights-of way or other rights-of ways or easements
 - location of existing approaches and proposed approaches
 - location of existing active and/or abandoned oil and gas wells and lease sites
- Title Search-** A current title and a copy of all registered instruments for the lands subject to the subdivision dated not more than 14 days prior to Parkland County receiving the application for subdivision. Parkland County may, if requested, obtain titles from the Alberta Land Titles Office for a fee of \$10.00 per document.
- Appraisal Agreement-**If money is required to be provided in place of Municipal Reserves, the applicant must provide a market value appraisal of the lands to be subdivided. Please consult a Parkland County Planner for more information.
- Geotechnical Reports-** In some instances, Geotechnical Reports regarding near surface shallow water table tests, percolation tests for sewage disposal, potable water supply and steep slope evaluation (slopes greater than 15%) may be required. Two (2) stamped and sealed originals and one (1) digital PDF sent by email or USB are required should this report be applicable.
- Other** _____
