

NEW CIVIC ADDRESS APPLICATION

Assigning an address to each property in Parkland County provides location identification for the provision of essential public services such as Emergency Services and also Canada Post, public utilities and private sector functions.

Please note, if your property does not have an existing access, you will be required to complete a [Property Access Approach Application](#) and this form can be obtained from Parkland County Planning & Development Services or at www.parklandcounty.com

**Your Civic Address MAY NOT be your mailing address.
Please contact [Canada Post](#) to confirm your mailing address and postal code.**

The information collected on this document will be used for the purposes allowed under the authority of the Municipal Government Act. The personal information that you provide may be made public subject to the provisions of the *Freedom of Information and Privacy Act*. Questions regarding the collection and use of this information may be directed to the Freedom of Information & Protection of Privacy Coordinator for Parkland County at 780-968-3229.

Sketch Plan Requirements:

- Identify the location of approach(es), showing the distance to the closest property corner.
- Boundaries of the land parcel including dimensions.
- Dwelling(s), identify any existing address(es).
- All roads adjacent to the parcel labeled.
- Location of any existing approach(es) (residential, field, or industrial) on both sides of the road.

Note: navigate to the 'Tools' option in the main menu, select 'Comment & Markup' option to access the drawing tools.
