PURPOSE

The purpose of this policy is to provide grant funding to Parkland County Community Associations in support of the valuable social and recreational contributions that they make to Parkland County residents.

Parkland County is known for its able and willing volunteers, many of whom serve the community through community associations. A myriad of recreation, sport, culture and leisure, along with other community based programs and activities are provided through community associations that, without this partnership, Parkland County would not be able to sustain. In addition to the direct services they provide, community associations generate recreational activity, develop community leadership, and empower citizens to build strong and caring communities.

POLICY STATEMENT

Parkland County may provide the following grant programs to support:

1. Operating
To assist in offsetting expenses incurred in the operations of the community associations for the provision of providing programs and activities to community residents.
2. Sustainability
To assists with the capital and organizational costs associated with the conservation, development, and/or enhancement of community associations.
3. Programs/Events
To assist with the costs of sport, culture, arts and/or leisure programs and events provided to community residents.
