

Addendum No. 2

Engineering Consulting Services for Analysis, Design and Construction of Roads and Bridges Request for Pre-Qualification (RFPQ) No. PQ210805EN

Respondent Questions and Answers

1. **In Appendix B – Submission Workbook, Section 2.1 Key Personnel, are we able to add more rows to the team table to accommodate a team of over 10?**

Yes. Alternatively, respondents can write “see attached” within the table and attach their own table with the requested information.

2. **In Section 4.3.2 of the RFPQ, what is specifically required for the Fee Schedule? Does the County want a fee chart with tasks and budgets or is the County looking for hourly rates for all staff only?**

The County is looking for hourly rates for staff only.

**** Acknowledgement of this Addendum is required in the Submission ****
