

What is a Property Assessment?

A property assessment is available to residents who reside within the County of Parkland, and are interested in learning about how they can deter property crime. Using four main concepts used in the standard Crime Prevention through environmental design model (CPTED) a Peace Officer will make recommendations on your property. These concepts are...

- **Natural Surveillance**
- **Natural access control**
- **Territorial enforcement**
- **Maintenance**

To submit your application for assessment, fill out the application form and submit your form by the following methods.

In person: At the animal shelter located inside the County Services building at 53109A HWY 779
Parkland County T7Z 1R1

Email: Email completed applications to Officer Jean Hoffman at jhoffman@parklandcounty.com

Through mail:

531109A HWY 779

Parkland County AB T7Z 1R1

If...

- Mobility or travel is an issue
- You require assistance filling out your application
- You have questions regarding property crime, assessments or bylaws
