

# CONSTRUCTION NOTICE

**Parkland County  
Range Road 70, South of Highway 16  
BF 9254 Bridge Replacement and Road Upgrades**

## Project Overview

Work at this site includes the removal of one (1) three-span (8.5m-8.5m-8.5m) HC-girder bridge and replacement with one (1) new three-span (8m-14m-8m) SLW-girder bridge. The vertical road profile will be raised a maximum of 2.87 m over a length of approximately 280 m.

## Construction Access/Deliveries

Construction equipment, Truck Deliveries, etc. will access RR 70 typically from Highway 16 but some deliveries will arrive from TWP 532 and North on RR 70, other tributaries may be affected due to the constricted access to these project sites. There may be some noise, traffic interruptions along the access route and adjacent routes to the working area.

## Schedule

Construction is scheduled to begin in **Mid- April 2021** and is expected to be completed by **Mid-July 2021**, weather permitting.

Typical hours of operation will be from **7:00am to 7:00pm, Monday to Saturday**. If required, these hours may be extended, and construction may occur on Sundays from 7:00am to 5:00pm.

## Traffic accommodation

Traffic will be detoured while the Work is taking place. Landowners adjacent to these areas near the project will have access to their properties. There will be an onsite detour available with restrictions to a 4-meter lane (one lane only) the traffic/public will need to yield to oncoming traffic.

## Safety

The construction areas are restricted areas for the Public. We will take every precaution to ensure public safety, and we also need your assistance in keeping children and pets a safe distance from the construction site and the equipment.

We thank you for your patience and understanding as we continue this necessary work.

If you have any concerns or if there is an emergency, please contact Formula Alberta Ltd at 780 968 1102
