

CAPITAL INFRASTRUCTURE PROGRAM 2025-2028

PRESENTED AS PART OF THE 2025
BUDGET NOVEMBER 2024

ENGINEERING SERVICES

Welcome to Parkland County's Four Year Capital Infrastructure Program!

Published annually as part of the budget process, this document outlines and maps the four year plan for major capital works across Parkland County. The Capital Infrastructure Program includes both new and rehabilitation projects in the following asset categories: Roads,

- Bridges,
- Water,
- Wastewater, and
- Stormwater

The 2025 program was approved by Council in November 2024 as part of the 2025 budget process.

The subsequent years forecast upcoming capital projects in the Capital Infrastructure Program which are reviewed and re-prioritized annually as new information is collected and analyzed.

New in 2024 and continuing into 2025, you can now follow currently active projects and sign-up to receive updates on projects that you are interested in at <https://yourparkland.ca/>
