Funding C-RP03

FUNCTION: Community Services

LS REVIEW DATE: November 17, 2022

PURPOSE

To provide grant funding to Parkland County not-for-profit organizations in support of the valuable contributions that they make to Parkland County residents through the delivery of recreation, culture, social services and community activities.

Parkland County is known for its able and willing volunteers, many of whom serve the community through not-for-profit organizations. A myriad of recreation, culture, social service and other community-based programs and activities are provided through not-for-profit organizations that, without this partnership, Parkland County would not be able to sustain. In addition to the direct services they provide, not-for-profit organizations generate recreational activity, develop community leadership, and empower citizens to build strong and caring communities.

This policy will allow for a standard application process and consistent, informed decision making in the allocation of funds that will enhance the organizations' ability to deliver services.

POLICY STATEMENT

Parkland County may provide the following grant streams to not-for-profit organizations to enhance their program and service delivery to Parkland County residents:

1. Operating

To assist in offsetting facility and/or organizational expenses incurred in the operations of the not-for-profit organization for the provision of programs and activities to community residents.

2. Minor Capital

To assists with minor capital costs associated with safety codes upgrades, preventative maintenance,

renovation, or purchase of capital equipment for community recreation and cultural facilities located in Parkland County.

3. Projects

To assist with the costs of recreation, culture, social services and/or community projects, programs and events provided to community residents.

4. Micro

To assist with the costs associated with small recreation, culture, social services and/or community projects, programs and events provided to community residents.

5. Emergent Minor Capital

To assist with unforeseen or unbudgeted emergency repair or replacement related to items or infrastructure failures that present an immediate threat to the ability of an organization to continue to operate and provide services to our community

6. Events

To support community festivals and events that are open to the public and have a positive impact on tourism, community, or economic development of Parkland County.
