

Agricultural Bursary Application

Up to five, \$500 bursaries, are awarded to post-secondary students who are enrolled in an Agriculture-related program.

Eligibility requirements

1. Applicants must be a resident of Parkland County or have lived in the County within the last three years.
2. Must be accepted or currently enrolled in a post-secondary institution in an Agriculture-related program or proof of acceptance into a post-secondary institution.
3. Applicants must provide an essay outlining their rural experience, community involvement, volunteer and recreational activities. Indicate career goals and objectives as they relate to their field of study and agriculture.

Education Information

*If you are a high school student, please attach a **copy of your transcripts and proof of admittance into a post-secondary institution**. If you are currently enrolled as a post-secondary student, please attach a copy of your **most recent transcript**.*
